

Select Society of Sanitary Sludge Shovelers (5S) Nomination

Nominations are due December 31, 2026; send to nominations@weau.org

The Select Society of Sanitary Sludge Shovelers (5S) is a Water Environment Federation (WEF) Member Association award created to honor individuals who have demonstrated outstanding, meritorious service to the wastewater industry. It specifically recognizes members who go above and beyond in their contributions to the profession, with induction ceremonies held during annual meetings to celebrate inductees and foster camaraderie.
