

WEAU Committee Charters

COMMITTEE: DR ROBERT OKEY STUDENT SCHOLARSHIP AWARD

MEETING SIZE: Three to five

MEMBERSHIP: Chairperson and members appointed by the President.

CHARGE: The Dr. Robert Okey Student Scholarship Award was established in 2002 in honor of Dr. Robert Okey, PH.D., P.E., professor at the University of Utah, and lifetime member of the WEF and WEAU. Dr. Okey has taught and mentored many water quality professionals who serve the industry and has remained personally involved in WEF and WEAU activities.

This award for outstanding performance by a student in the study, research or promotion of water quality issues.

REPORT: Normally this award will be offered annually, although lack of an outstanding nominee may result in less frequent issuance of this award.
