WEAU Members,

The Water Environment Association of Utah (WEAU) is continuing our annual sponsorship program in 2026. Many of you have sponsored WEAU in the past, and for those that weren't WEAU sponsors in 2025 maybe 2026 is the right time to become a sponsor. The WEAU board greatly appreciates the support provided by its sponsors and hope you can sponsor WEAU in the coming year. A few notes about WEAU:

- WEAU is the main industry association network group for wastewater management professionals in the state of Utah
- Members include: District operations staff, consulting engineers, regulators, equipment suppliers & manufacturers, and contractors
- WEAU is a member association of the Water Environment Federation (WEF)
- WEAU is an all-volunteer organization
- WEAU sponsorship revenue and activity fees are used for:
 - Maintaining the organization (website, training structure, virtual platforms, insurance, etc.)
 - Scholarships for operators and students
 - Training costs

Sponsorships run for the calendar year (January 1st through December 31st, 2026) and will give your organization name recognition across many WEAU activities, and in the Digested News for platinum sponsors, starting with the Annual Conference in April. This year there is an added benefit to WEAU sponsors, priority in booth selection in the Exhibit Hall at the Annual Conference. First priority in selecting booths will be given to Platinum sponsors, followed by Gold sponsors, and finally Silver sponsors.
